Ernie, Vivien,

I will be mailing out the Project Completion Report in hard copy Friday once the MWSD General Manager has signed it.

Please let me know if I can provide anything further.

Thanks Vivien!

Regarding Montara, they are securing a Montara agency representative wet signature for their report and it will be forwarded to you asap.

Hello Ernie,

According to the agreement (section 14.b) I do not need them but just a statement that says that the project proponent has all of that. I will locate the template and send it to you.

Have you heard form Montara? Have they sent the original?

Thank you,

Vivien
